Epilog

- The content that Sayahna includes in these Phone PDFs are those that can be read in under thirty to forty minutes. Computers or Desktop applications are not necessary for reading them.
- The PDFs are made available in beautiful, rich formats and can be easily read from your smart phones. They are customized to adhere perfectly with the dimensions of your phone screen.
- Most smartphones these days are equipped with in-built readers for PDF content. However, the free Adobe Acrobat Reader application offers the best reading experience. We would recommend that you install Adobe readers in your phones and use them for reading our content.
- Anybody who is interested in open access publishing and want to submit their work to Sayahna may do so by mailing it to <editors@sayahna.org>. The work could be anything–stories, memoirs, articles, interviews, movie reviews, poems, plays, sketches or paintings.
- Sayahna welcomes all your thoughts on our efforts! You may either mail them to <editors@sayahna.org> or post them under the Comments section in this web page. And we eagerly await your feedbacks and hope to derive necessary impetus to drive Sayahna to new heights.
